Are your expectations of returns on your investments realistic?

Will your investments keep up with inflation?

Are taxes a major consideration for you?

What is the most favorable way for you to create your cash flow?

Will your heirs be sustained financially when you are no longer with them?

What is the most suitable way to transfer my wealth?

Is conversion to a Roth IRA more efficient than my Traditional IRA?

Retirement may be the end of your working life, but it certainly is not the end of your financial life. There are many considerations to be examined before electing a course of action; then, who will monitor the course with you? Prudence would dictate that professional guidance should be used.

Laura Anderson is an award-winning artist whose paintings range from super-realism to semi-abstract. Her series of chairs was included in the offerings of Graphic de France, an internationally known printing company. She has painted in the Southwest as well as locally, and her work is in numerous corporate and private collections. Ms. Anderson has a studio in Mattapoisett.

Sarah Brown's lyrical watercolors of flowers and scenes by the sea have been popular for many years. She is currently involved in decorative painting on furniture as well as continuing her other painting. Previously, she was a professional fashion illustrator and worked for retail stores in Providence, New Bedford as well as several publications. Sarah has served as a long-time volunteer at the Art Center and has a studio in Rochester.

Judy Carver has been pursuing her interest in drawing and painting for many years and has taken watercolor classes at the Boston Museum of Fine Arts, Rhode Island School of Design and workshops with professional artists. She has always been fascinated by strong color contrasts of light and shadow, often as they play over building structures. Her goal is to create shapes using these color contrasts while preserving her clarity of vision.

Nancy Mitton recently won an award from the National Arts Club's 108th Exhibiting Artists Members' Show. Ms. Mitton received a BFA from Massachusetts College of Art, has studied at Rhode Island School of Design and was granted artist residencies at Rochefort-

She was a landscape painter for many years, taking most of her inspiration from nature. Peter Stone is a painter and writer whose studio is in Marion. "His ability to match evocative words with evocative scenery is haunting," describes his recent illustrated work, *Sanctuaries*. He paints local scenes of bucolic bliss and enigmatic marine images. He has also painted in remote landscapes all over the world including, Nepal, Australia, India, Newfoundland, Labrador and Baffin Island. He has sailed through the mystical islands of Indonesia and from the southern reaches of Patagonia to the Antarctic recording these wonders in his sketchbook and on canvas. Peter Stone has presented more than forty solo shows and numerous group exhibitions at galleries and museums in the United States, Canada and England. #### *Old Versus New*

### **Ghost First to Finish in Marion-Bermuda Race**

**By Kenneth J. Souza**

In a fine example of old versus new, with the classic *Kathleen* battling it out with the new class *Morgan's Ghost* to be the first to the finish line in the 30th anniversary Marion-Bermuda Race, the new boat on the block finally beat out the vintage lady for the honor.

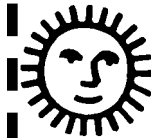

Captain Preston Hutchings and his Bermuda crew aboard the new NY42 *Morgan's Ghost* was the first to cross the finish line in the prestigious competition and was also the first Bermuda boat to take line honors since Robert Mulderig's *Starr Trail* did the trick in 2003. She finished at 11:06:34 IDT on Tuesday morning, June 19.

*Kathleen*, owned by Jim Feeney of Marion, and *Morgan's Ghost* traded the lead throughout Monday and into Tuesday, then the NY42 pulled away on a wind shift when he was able to set his asymmetrical chute and carry it to within 10 miles of the finish. By late Tuesday morning, *Venture*, a powerful Oyster 62 owned by Peter Savage, also pipped *Kathleen* on the approach to the finish. *Venture* ultimately finished at 11:29:16, with *Kathleen* following close behind to finish at 11:32.

Under the main handicap rule for the race, however, *Kathleen* corrects out ahead of the two boats that crossed the line first. By 4:50 IDT, Race scorers predicted that *Kathleen* would correct her time ahead of any Class A boats still on the course.

In the Multihull Division *Duet*, owned by Al Santoro of Boston, crossed the line first out of the two multihulls in the race. She finished at 14:33:20.

Derek Ratteray, *Morgan's Ghost's* navigator, said the race was really three races in one.

"We blasted out of Buzzard's Bay after a nice spinnaker start," he said. "The we did donuts at zero knots above the stream."

Skipper Preston Hutchings added: "We did a one tack jib-top reach for 36 hours from entering the Gulf Stream. We were able to set a chute for five hours after a run-up with *Kathleen* and go a favorable wind shift."

Faith Paulson aboard *Kathleen* recapped the race. "Later in the afternoon Sunday, the wind picked up and we were making a good speed — 8 to 9 knots — still a clear sky," she reported. "By the end of the day we were making a steady 10 knots and *Kathleen* was on a roll."

"The wind kept escalating," Ms. Paulson added, "So Captain Jim (Feeney) had all hands on deck to take down the big 150 jib (in the dark) and put up the 'blade' — a much smaller jib. *Kathleen* still kept her same speed, however, the crew was a lot more comfortable. Our good speed continued all night and into the day."

Winning Class A was a special accomplishment for this classic Yawl.

As of 4:00 pm Tuesday, eight boats had finished the Marion-Bermuda Race and officials expected another group of eight yachts to finish around 10:00 pm that night. The majority of the fleet should finish the 645-nautical-mile trek on Wednesday, if the wind holds and the Bermuda High doesn't build back in.

## Rochester Police Train With Simulator

By Robert Chiarito

The Rochester Police and Fire Departments, in cooperation with the Massachusetts Interlocal Insurance Association (MIIA), participated in several days of high tech drivers' training using the Emergency Vehicle Operator Driver Training Simulator. This mobile unit, which was provided by the departments' insurer from Monday, June 18 through Wednesday, June 20, helped the town's emergency services train for real life situations while, at the same time, removing the risk involved in operating actual vehicles at high rates of speed.

Over the last decade the number of accidents involving emergency vehicles has risen to the point that it is becoming a major concern to municipalities throughout the country. One of the means being used to combat this trend is the use of simulators to reproduce many of the driving conditions that emergency personnel face on a daily basis. While high speed chases and four-alarm fires may be the dramatic version of what a police officer, EMT or firefighter might see in a given training session, studies have shown that departments using computerized simulators as part of a larger training program can greatly reduce the amount of accidents and injuries involving department vehicles that are being used in the act of responding to average calls by increasing the respondents' awareness of various situations and surroundings.

The simulator puts the driver through a series of

situations that have the look, sound and feel of an actual police cruiser or other emergency vehicle. Participants interact with the program just as they would interact with their own vehicle, dispatcher and surroundings. Officers are able to react just as they would in an actual emergency, testing their knowledge of their equipment's limitations as well as the officer's driving skills and ability to react in an emergency situation. Each of Rochester's Police officers had to complete a two-and-a-half hour classroom course before taking their turn in the simulated driver's seat. At the end of the 25 minute program the apparatus is able to give a driver immediate feedback regarding both their strengths and weaknesses in a given situation.

"MIIA provides the program free of charge," Rochester Police Chief Paul Magee said. "It is really a win-win situation for both the town and the insurer."

The insurance company hopes that they will have trained better drivers and reduced their risk while the town is provided a cost effective training program that should help lower the amount of accidents they see involving department equipment and personnel while, at the same time, lowering the cost of insurance premiums and other accident related expenses.

the winning entry of our Marion cover contest that *The Wanderer* decided to contact Ms. Lucille Jardin, the person who took and submitted the photograph of the wandering donkeys and the kayak, to fill in the blanks surrounding the incident.

So, as Paul Harvey might say, here is the rest of the story.

Ms. Jardin, a resident of Marion and an avid kayaker, decided to take advantage of a particularly beautiful spring day and head out on the waters of Marion. Before leaving home she decided that it would be prudent to bring along a snack as it was close to lunch time and she was beginning to become a bit hungry, but she did not wish to delay her trip. So, Ms. Jardin grabbed a banana,

picked up her camera, sealed it in a zip lock bag, and headed off to the wharf to put her boat in the water.

A fellow paddler gave Ms. Jardin a tip as to how she might board and de-boat from her kayak and stay dry in the process. The tip did not work for our intrepid photographer and she rolled her boat over far enough that the hull began to fill with water. Ms. Jardin decided to go ashore at Ram Island to drain the water from her boat, look for shells and enjoy her day. She calculated that since the boat was so heavy from the weight of the water that the best course of action to drain the kayak would be to rock the boat from side to side so eventually enough water would splash out and the boat could be tipped and emptied.

As Ms. Jardin was in the process of rocking the boat, in a manner of speaking, the donkeys came along and began to root through her belongings. One of the animals found the banana and began to eat the piece of fruit, which did not sit well with our hero. Ms. Jardin said, "I took my banana away from her because I was hungry and I took a bite from the other end!"

Deciding to let bygones be bygones, Ms. Jardin then gave the banana to the begging donkey. Not letting the incident ruin her trip, she drained her boat, took a walk around the shore and snapped the contest-winning June 14 cover shot. Ms. Jardin was not certain as to the origins of the donkeys settling on the island but she did note that there was a llama that resided there prior to

the donkeys' arrival. The donkeys are known to be very friendly and, by all accounts, are not at all shy about making themselves at home in one's lunch bag.

Ram Island is a private island so, while visitors are not necessarily invited, the occasional kayaker is not unwelcome. Travelers must, however, beware, as no sandwich is safe on the shores of Ram Island so long as our two friends are roaming its beaches.

### Marion Selectmen's Meeting

*June 19, 2007*

**By Kenneth J. Souza**

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, June 19 at 7:00 pm by Chairman Roger Blanchette. Also present were Selectman Jonathan Henry, Town Administrator Paul Dawson, and Secretary Helene Craver. Selectman Andrew N. Jeffrey would later join the meeting while in progress.

Selectman Henry first asked for a moment of silence for the nine firefighters who had been killed the previous night in a furniture warehouse fire in South Carolina.

The board then met with Reg Foster, Chairman of the Marion Fireworks Committee. Mr. Foster said he was present to provide a report to the board for the upcoming annual Fireworks Display planned for Tuesday night, July 3.

"This is probably the largest event we have in the

town every year," Mr. Foster said. "The fireworks will begin around 9:00 pm. The raindate, which we have never had before, is Thursday, July 5. One of the major activities of the Fireworks Committee every year is to raise the money for the display — about \$40,000 this year, because we do a barge shoot which is more complex and more expensive. We have collected about \$30,000 to date, so we're still about \$10,000 short. I'd like to put out an appeal to everyone to help us reach our \$40,000 goal."

Even though Mr. Foster said they were a little behind this year in their fund-raising efforts, he is confident they will make up the shortfall by the date of the event.

"One of our innovations last year was to arrange to have the barge loaded ... at a commercial facility in

## Animal Advice

Jay Gould, DVM

### PARROT FEVER

*I recently purchased an Amazon parrot that was sneezing and seemed ill. My cockatiel is now sneezing and I have been fighting the flu for the last month. Is there any connection?*

Yes. Birds get psittacosis, also call "parrot fever" and "chlamydiosis". This infectious disease can be spread to people as well as to other birds. Among the signs to look for in birds are sneezing, puffed up feathers and green to yellow diarrhea. Some birds show no obvious signs. People get flu-like symptoms often with a chronic hacking cough and headaches. It is an excellent idea to have your veterinarian check newly acquired birds, or birds showing signs of illness for parrot fever.

Fairhaven," Mr. Foster said. "I'm also greatly pleased to announce that the town band has agreed to perform their annual concert (at 8:00 pm). We also plan to publish a 'traffic congestion alert' in the local media just to let residents be aware of the additional traffic in the village area that night."

Mr. Foster said the only potential hurdle this year is the fact that nearby Wareham has cancelled their planned fireworks display on the same night and the City of New Bedford is holding their fireworks on Sunday, July 8, and there being no other area fireworks displays planned for July 3, it will likely draw more out-of-town residents to Marion.

"I think we'll have a larger than average crowd this year," he said.

Those interested in making contributions should make them payable to "Town of Marion - Fireworks" and send them to Fireworks, Marion Town House, 2 Spring Street, Marion, MA 02738.

"We've changed the management of the (July 4 Fireworks Display) so that they are solely funded through private donations," Selectman Henry said. "I certainly think it's a worthwhile event and I hope people will consider making a donation."

"I think we have the right approach here ... we just need some help to make it across the finish line," Mr. Foster said.

At 7:22 pm the board convened a public hear-

ing upon a petition from The Wave Restaurant to alter their premises by installing an outside patio dining area. Owner Brad Silva was present to ask the board for permission to amend his current license with the Alcohol and Beverage Control Commission (ABCC) to serve food and alcohol outside in the patio area. The seasonal plan was previously approved by the Planning Board with several stipulations in place.

"Has this diminished your inside seating capacity at all?" Selectman Henry asked.

"We had an (inside) seating capacity of 218 and we reduced that to 165 so we could have the additional seating outside," Mr. Silva said.

Selectman Henry noted they would not be allowed to have any outside speakers or electronic amplification system in the patio area.

With these additional changes along with those stipulations made by the Planning Board, the Selectmen unanimously voted to approve the plan as submitted.

The board also approved:

- One-day all-alcohol licenses for the Marion Art Center (July 27, 28, 29; August 3, 4, 5); the Marion Social Club (July 8, 14 and August 4); VFW Post 2425 (July 7, 21); and the Sippican Tennis Club (September 9).

Mr. Dawson also presented the board with a finalized job description for the newly-established Treasurer/Collector's position. Chairman Blanchette questioned whether it was necessary to require all applicants to have

a Bachelor's degree since the person hired would have to be certified with the state once hired. He felt that would preclude some people from applying for the position.

"I certainly don't think (requiring) candidate's to have a Bachelor's degree is unreasonable," Selectman Jeffrey said. "Certainly in today's world, most jobs require a Bachelor's degree."

"I know people who are qualified to do this job and they don't have Bachelor's degrees," Chairman Blanchette said. "I don't have a Bachelor's degree and that's one of the reasons I resent this ... my former wife, who was widely regarded as one of the best Treasurer/Collector's the Town of Marion has ever had, didn't have a Bachelor's degree."

"I respect your opinion, but I think you are totally out of line here," Selectman Jeffrey said.

With that, the board voted to approve the Treasurer/Collector's job description as submitted by Mr. Dawson — with the requirement for a Bachelor's degree intact — via majority vote, 2 to 1, with Chairman Blanchette in sole opposition.

The board also reviewed a similar job description for the town's Building Commissioner with the recent resignation of William Moore from the position. Selectman Henry suggested making this position a part-time, paid position as it once was since he has seen a noticeable decrease in building permits.

"I'm not adverse to looking into that, but I don't

want to make that decision here tonight," Selectman Jeffrey said. "One of the issues is: are we going to get a qualified person at a part-time salary? I'm not against it, but I feel we need more information before we make that decision."

Mr. Dawson next noted that a Tri-Town Selectmen's meeting has been scheduled for Thursday, June 28 at 7:00 pm to be hosted by the Mattapoisett Board of Selectmen at the Mattapoisett Town Hall. Among the agenda items slated for that meeting will be an annual report to the Tri-Town Boards from the Old Rochester Community Television's (ORCTV) Board of Directors.

The board also received notice from the Benjamin D. Cushing Post 2425 VFW of the annual Fourth of July Parade to be held on Wednesday, July 4 beginning at 9:00 am in the ball field behind the Marion Town House adjacent to Sippican School. All units participating in the Fourth of July Parade are requested to report to the ball field on the corner of Spring Street and Main Street no later than 8:45 am. The parade route will proceed as follows: east on Main Street to Spring Street; north on Spring Street to Route 6; west on Route 6 to Front Street; south on Front Street to Main Street; and west on Main Street to the ball field for disbanding.

There being no further matters to discuss in Open Session, the board unanimously voted to go into Executive Session at 8:38 pm for the purpose of discussing litigation, strategy for bargaining with non-union person-

### *Vintage Baseball*

The Ironsides Base Ball Club is looking for anyone interested in 19th century baseball. The Ironsides Base Ball Club takes its name from an actual baseball club that began playing in New Bedford in 1858. They will play the game wearing uniforms and using the rules and equipment of 1858. They are scheduled to play two games during the week of August 4-12 and are currently recruiting players, umpires, scorekeepers, and sideline interpreters.

During this week they are planning a 19th century "pick-up" game with Mattapoisett residents. No experience is necessary, just a love for the game and an interest in baseball history. Leave your glove at home. For further information or to sign up, please call **Kyle DeCicco-Carey** at 508-758-3308 or visit the SouthCoast Vintage Base Ball web site at [www.scvbb.org](http://www.scvbb.org) or [info@scvbb.org](mailto:info@scvbb.org).

**Let's set a record voter turn-out at this Special Election  
for Mattapoissett's 150th Birthday**

My name is George "Porgie" Randall. What I am trying to do is reach as many of the 4000 plus registered voters in Mattapoissett as I possibly can before Tuesday, June 26, 2007.

Mattapoissett is my home. What is yours? When I was honorably discharged from active duty in the US Navy and returned to Mattapoissett, I swore to honor, protect, and defend her (Mattapoissett) until death do us part.

Mattapoissett needs some help. Our neighboring towns all around us are having problems. Schools closing, town employee layoffs, cuts in every department, health insurance deep cuts, school teacher layoffs. You name it, they are doing it. Believe me. Just read the newspaper. Find out for yourself. There is no excuse for us to follow suit. Mattapoissett is not immune to this over-spending, out of control tax raising virus for which there is not medication available. O.K.

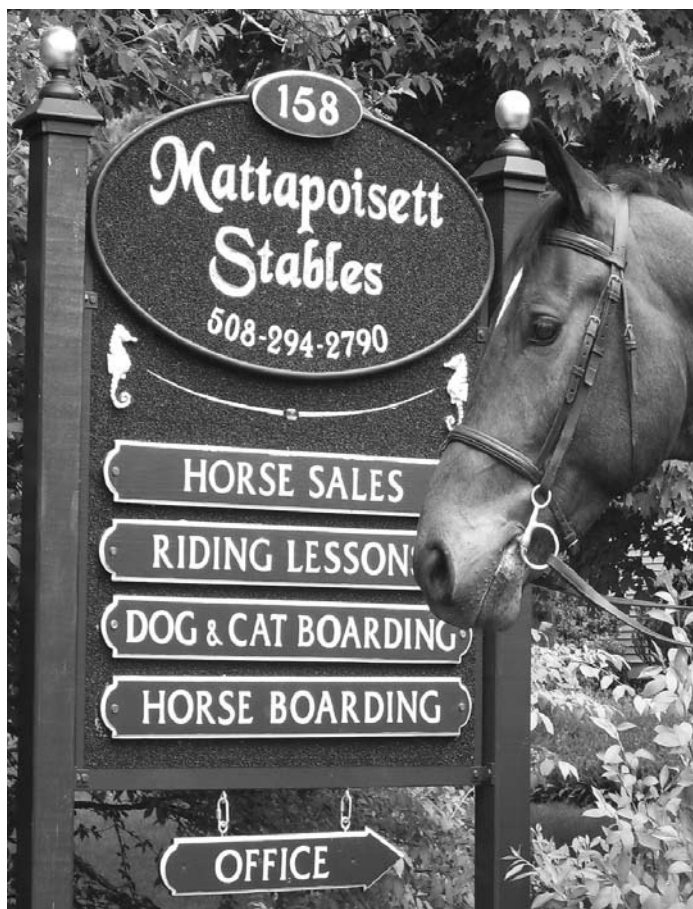

On Tuesday, June 26th at Old Hammondtown School, we must send powerful, strong, effective tax-saving message to the other side of the aisle as to just what this town can support and afford. Should we say "enough is enough?" or should we should say "enough is too much." Case closed. Forget it.

Please listen up! Mark Twain (Samuel Langhorne Clemens, real name) said and I quote "Politicians, like diapers, should be changed regularly and for similar reasons." Turning my diary back to May 14-15, 2007, resuming with the Annual Town Meeting warrant, voters were asked under Article 8 to appropriate 4.25 million debt exclusion for the purpose of building a new fire station. This measure would require a two-thirds majority vote to pass via a referendum on a future election ballot. Listen up again: Article 8 passed "128 to 54." Article 8 got the two-thirds vote by six votes only. Please note this is a mere 17% voter turnout in a 4000+ registered voter town.

I ask you is this the will of the people on a 4.25 million dollar article? I think not, thank you very much! Bottom line: The 128 to 54 sounded good but that was not the final answer. The two-thirds needed to pass was 122. Let's set a record voter turn out for Mattapoissett's 150th birthday.

event that celebrates survivorship and raises money to fight cancer. Twenty-one teams for a combined total of 268 participants camped out at the high school track taking turns walking around a track that at night is illuminated with hundreds of glowing bags, each bearing the name of a cancer survivor or someone lost to the disease.

This year's Relay hosted 40 survivors at a pre-event Survivor Reception catered by the Lareau Family, the Mattapoisett Chowder House, and Turks' Restaurant. The invocation written by Mattapoisett's Brad Sell, a prostate cancer patient and ordained minister, unable to attend the event due to illness, was read by his longtime friend Marcia McGee of Marlborough. Following a moving speech by Ray Cebula of Mattapoisett, a two-year throat cancer survivor, the cancer survivors and Relay honorees led the opening lap.

### **ORR Student Council Award**

For its exemplary record of leadership, service, and activities that serve to improve the school and community, Old Rochester Regional High School has been awarded a 2007 Council of Excellence Award by the National Association of Student Councils (NASC). Old Rochester Regional High School is one of only 18 schools nationwide to receive a 2007 Council of Excellence Award.

To meet the requirements for the award, a student council must demonstrate that it meets a variety of criteria. In addition to basic requirements such as a written constitution, regular meetings, a democratic election, schools that qualify for the award demonstrate such things as leadership training for council members, teacher/staff appreciation activities, student recognition programs, school and community service projects, spirit activities, goal setting, financial planning, and active participation in their state student council association. This year the ORR Student Council conducted a staff appreciation activity, Health Issue Awareness, Homecoming ac-

"Receiving an NASC Council of Excellence Award indicate a dedication on the part of the local school to providing a strong, well-rounded student council program," said Rocco Marano, director of NASC.

"This was a great group of students who truly looked out for their peers and the faculty. They worked many hours gathering school supplies and personal items for the Massachusetts National Guards in Iraq and Afghanistan. They were dedicated to every activity and each reached personal as well as teamwork goals. It's been a pleasure working alongside these students," said Student Council Advisor Michael Nailor.

*A message from the Mattapoissett Ladies Auxiliary:*

## **Please remember to vote on Tuesday, June 26<sup>th</sup>!!**

There is call for our town to invest in the construction of a fire station that is secure, efficient, and accommodating to Mattapoissett's safety needs. The dedicated members of our local fire department continually rise to the occasion to support our community through programs and services including fire prevention, educating our children, public fire safety awareness, emergency response to structural and brush fires, automobile accidents, storms, environmental hazards, etc. Now, it is our turn, as caring community members, to support our firefighters and keep *them* safe!

### ***Where will the proposed station be located?***

The town owned site next to the police station.

### ***So, why do we need a new fire station now?***

#### **1.) *Safety!***

The operating station:

- Has no exhaust ventilation system for vehicles
- Has no decontamination area
- Freely allocates public access to ***all*** Firefighting Equipment and apparatus which poses an acute security issue

#### **2.) *Lack of Space!***

The operating station has:

- Insufficient administrative areas
- Inadequate storage for documents
- Unavailable indoor storage for all existing equipment
- No maintenance and/or repair sector
- No suitable space/technology for a central hub emergency center
- Limited parking

*Please be an informed responsible voter. You can view the proposed plans for the station as well as a list of additional FAQ by visiting the Mattapoissett Fire Station's website at [www.mattapoissett.org/MFD](http://www.mattapoissett.org/MFD). The department also welcomes your inquiry and interest in this proposal. They are available 7 days a week from 8-4 to discuss your questions!*

## Buzzards Bay Musicfest

What a wonderful Tenth Anniversary the Buzzards Bay Musicfest celebrated last summer! The music selection was memorable and the musicians of the Buzzards Bay Musicfest, under the direction of Maestro Russell Patterson, once again astounded the audience with their amazing talent. How do they follow-up this year? It could be called the "summer for strings" as many of the pieces planned will feature their talented string players. And what is also incredible is that in this, their eleventh year, they have never repeated a piece.

The eleventh annual Buzzards Bay Musicfest will be held in Marion from July 11 through July 15, 2007.

The Buzzards Bay Musicfest brings orchestral and chamber music performances to the acoustically superb Fireman Performing Arts Center at Tabor Academy on Front Street in Marion.

Admission is FREE and the performances are open to all.

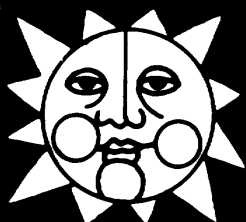

Nationally-prominent musicians will perform under the direction of Maestro Russell Patterson, formerly of the Kansas City Orchestra and Lyric Opera. Orchestral performances will be held Wednesday, July 11 at 8:00 pm and Sunday, July 15 at 2:00 pm. Chamber music perfor-

### Tattle Tales in Rochester

The Joseph H. Plumb Memorial Library in Rochester will host Minstrel Storyteller Mary Jo Maichack in a family program especially for children ages 4 and older. "Tattle Tales" is a delightful, participatory family show of stories and songs celebrating music ... "Tunes within Tales and Tales within Tunes." The program connects with the Massachusetts Libraries' Summer Reading Club theme, "Catch the Beat at Your Library." It will take place on Tuesday, July 10 at 3:00 pm at the library. (This program is supported by the generosity of the Friends of the Plumb Memorial Library.) It is free and open to registered Summer Reading participants.

"Tattle Tales" is really a one-person variety show co-created with the audience in celebration of music to inspire summer reading. The program entertains all ages with a mix of songs and folktales led by Ms. Maichack. In "Tiger Dances to Turtle's Tune," audience-participants in headaddresses and playing percussion instruments act out the Caribbean story. There will be fiddling, mandolin, singing, guitar and more. The folktales will all involve music shared by the audience. You'll be invited to waltz along, clap along and sing along. It is designed to be lots of fun for ages 4 through adult and is about an hour long. Please bring blankets and/or beach chairs, as the performance will be held outside.

Ms. Maichack is a national award-winning singer, storyteller and multi-instrumentalist who has performed

### **Mattapoisett on HGTV**

Local residents are most cordially invited to see the historic Purrington House and the beautiful town of Mattapoisett as featured on the Home and Garden Network's (HGTV) program on historic houses. Celebrate the occasion of the town's 150th anniversary and tune into HGTV's *If Walls Could Talk* on July 17 at 7:00 pm.

The episode, titled "Hidden Clues to the Past," is described as follows: "While exploring the turret of her 1910 Queen Anne Victorian in Van Buren, ME, Susan Bouchard finds a pair of portraits, a calendar and business cards stashed away. Then she discovers a cognac bottle labeled 'holy water' in the liquor cabinet and becomes overwhelmed with curiosity about the people who used to live in her house. Next, Kathleen Lusk Brooke and her husband, George, love that their home was built with elegant and expensive materials, but they wonder how they got to the small New England town of Mattapoisett, MA, and who could afford to put them there. Then, Monty Dixon thought everything in her Belleville, IL, home was sold in an estate sale before she moved in, but it turns out that there are still treasures lurking in the dark basement. Finally, when Sharon and Dave Oster bought their dream home in Boise, Idaho, they never expected to find whiskey bottles under the floorboards and a secret room in the

## Deaths

**Bradley Lange Sell**, Mattapoisett, died at 12:15 AM on June 16, 2007 after a long battle with prostate cancer. Brad leaves behind his beloved wife of 27 years, Dawn Winkler Sell, and two sons, Dana Bradley Sell and Courtney Lange Sell, both of Mattapoisett. He was the son of Barbara (Trundy) and David W. Anderson of Marion, MA and the late Bert Sell. Born in Winchester Hospital, Winchester, MA on March 9, 1953, Brad lived in Wilmington, MA until the age of 9 and then resided in Marion and Mattapoisett the rest of his life.

Brad also leaves 5 brothers and several sisters-in-law whom he loved very much, Bert and Faye Sell, of Londonderry, NH; Barry and Connie Sell, of Cape Coral, FL; Peter and Lorraine Sowden, of Marion, MA; Paul and Ronnie Sowden, of Attleboro, MA; Bradford and Kathy Winkler of Southborough, MA; Nancy Sell Erion of St. Augustine, FL; and Carol Jean Sell Tirey of Cape Coral, FL. Very proud of his many nephews and nieces whom he loved and adored, Brad was also very excited when lifelong friends, David W. Anderson Jr. of Marion, Lisa Anderson Camp and Ruth Anderson, both of New Bedford, MA became members of his extended family. Like many of his family members, Brad was a graduate of Old Rochester Regional High School ('71) and Union College, Barbourville, KY ('75). Proud of his local heritage, Brad was a great-nephew of Everett W. Leonard, Wareham's first soldier to be killed in World War I after whom the "Everett W. Leonard Square" in Wareham's Center Park is named. Brad's grandfather, Harry E. Trundy, and great-uncle, Arthur Benson Trundy were also soldiers from Wareham serving in France with the First Yankee Division who survived the same foxhole attack where 19 year old Everett W. Leonard was killed. Soon after France was liberated, Harry Trundy married Wareham native Florence Marion Leonard, Everett Leonard's sister and Brad's grandmother, and that union created the "foxhole family of men" where Brad's relatives fought for our country's freedom, liberty, peace and God-given way of life.

Brad was an Eagle Scout with Marion's Troop 32. During the summers of his college years Brad served as a special police officer and harbor patrolman on Marion Harbor. Years later he would help develop a program entitled "Protecting Those Who Protect Us" designed to bring messages of early detection of cancer, preventive screenings and follow up procedures to the area police, fire, EMT, ambulance and sheriffs' departments.

Prior to Brad's diagnosis of prostate cancer he served as Executive Vice President, New England Wholesalers Association and President of Association Management Services, Inc., both of Milford, MA. Subsequent to Brad's diagnosis he served as: Volunteer, American Cancer Society, Brockton, MA; Member, New Bedford Mayor's Crusade Against Cancer, New Bedford, MA; Member, Massachusetts Comprehensive Cancer Control Coalition, Boston, MA; Member, Marion, Mattapoisett, Rochester ACS Tri-Town Relay for Life Committee; Ordained Minister, Southern Baptist Convention, Haven Baptist Church, New Bedford, MA; Lay Lector and Prayer Leader, St. Gabriel's Episcopal

Church, Marion, MA; Nursing Home Chaplain, Community Chaplain Service, Inc., New Bedford, MA; Missionary Chaplain, The Chapel at Nichol's House Nursing Home, Fairhaven, MA; Volunteer, Beacon Hospice and Palliative Care, Fall River, MA; Board Member, Baptist Convention of New England, Northborough, MA; Executive Committee Member, Massachusetts Baptist Association, Northborough, MA; Member, Clerical Advisory Council, Greater New Bedford Community Health Center, New Bedford, MA; Trade Association Representative, Credit Research, Inc., Milford, MA; Industry Consultant, Associated Cooperative Wholesale Distributors (ACWD), Marketing Consultant, F. W. Webb Company, Bedford, MA; Marketing Consultant, American Supply Association, Chicago, IL; Marketing Consultant, Modern Plumbing Supply, Inc., New Milford, CT.

Brad was recently honored with the 2006 Community Service Award, Greater New Bedford Health and Human Services Coalition, 2006 American Cancer Society's Volunteer of the Year Award for Southeastern MA, and 2006 Mattapoisett Man of the Year. In April, 2007 a group of New England business leaders established the Brad Sell Fellowship Award to commemorate the selfless acts people commit toward improving the lives of others. Brad's message on early detection of prostate cancer may be viewed at [www.bradsell.info](http://www.bradsell.info). Arrangements by the Saunders-Dwyer Mattapoisett Home For Funerals, 50 County Rd. (Rt. 6), Mattapoisett. In lieu of flowers donations may be made to the organization that kept Brad alive many more years than originally thought, Harvard Institute of Medicine, c/o Dr. Glenn Bubley, Beth Israel Deaconess Medical Center, East Campus, HIM 1047, 330 Brookline Avenue, Boston, MA 02215.

He and his wife retired to Holiday in 1978 and summered in Mattapoisett and Barnstable. He was a member of the Holiday United Church of Christ and the Mattapoisett Congregational Church. Mr. Bertram was formerly employed by New England Telephone for 35 years before retiring as a manager. He was a member of the Pythagorean Lodge, AF & AM, member of the Valley of South-eastern Massachusetts Scottish Rite and the Aleppo Temple. He served in the U.S. Army Air Corps during World War II. He was a member of the Tinkhamtown and Mattapoisett Improvement Association, and the Tinkhamtown Chapel Association. Survivors include three daughters, Catherine Bertram, and her husband James Crabtree, of Marion, Christine Bertram of Mattapoisett and Carol Eckblom, and her husband Jay, of Braintree; three grandchildren, Christian Bertram and Michael Bertram, both of Mattapoisett and Katerina Eckblom of Braintree. ## ATTENTION DRIVERS

If you are involved in a collision you have the right to have your investment, your vehicle, repaired at a shop of your choice. Your insurance company may suggest a list of repair shops. Do not be persuaded by this list, it is not a guarantee of quality of services, nor does it limit your options. You want a shop who will work for you and with you to put your vehicle back to pre-accident condition. **COLLISION SERVICES OF MARION, INC.** is a licensed, bonded, registered repair shop with the state of Massachusetts. We work with all insurance companies to expedite your repairs. The important thing to remember is we repair the vehicle for you, our customers, not the insurance companies. So remember, if the need arises, contact **COLLISION SERVICES OF MARION, INC.** to get back on the road.

## Four Score

By Rob Gonsalves

**Fantastic Four: Rise of the Silver Surfer.** Starring Ioan Gruffudd and Jessica Alba. Directed by Tim Story. Running time: 96 minutes. MPAA rating: PG.

We have here a silver-colored humanoid who zips around the cosmos on a surfboard. He is called the Silver Surfer. We have also a man who can stretch his flesh and bones, a man who can burst into flame and fly, a woman who can turn invisible and put up force fields, and a man made of orange rock. Last but not least, we have a villain called Victor von Doom, or, for short, Dr. Doom. The film in question has been termed "juvenile and simplistic" by the rottentomatoes.com consensus. This is like sneering at water for being wet and not solid enough.

*Fantastic Four: Rise of the Silver Surfer* (perhaps the most agreeably absurd movie title since *Aqua Teen Hunger Force Colon Movie Film for Theaters*) is based on comic books initially written by Stan Lee (who has a cameo, finally resorting to announcing "I'm Stan Lee!") and drawn by Jack Kirby. The hundred and two issues these men collaborated on are an awful lot of fun, equal parts goofball and pop-transcendent, though spoken of in reverent tones by comics geeks. They were *pure* comics for kids, and the movies based on them — the previous 2005 entry, and even the terrible unreleased attempt from 1994 — proceed from the Lee/Kirby tone of joshing, self-mocking escapism.

Reed Richards (Ioan Gruffudd), aka the stretchy Mr. Fantastic, and Sue Storm (Jessica Alba), aka the Invisible Woman, are set to tie the knot when the Surfer — whose actual name is Norrin Radd (totally radd, dude) — ungraciously whooshes into New York City. Sue's brother Johnny (Chris Evans), aka the Human Torch, gives fiery chase and is slapped down; thereafter, a lot of humor hinges on Johnny inadvertently trading powers with Ben Grimm (Michael Chiklis), aka the Thing, who relishes the opportunity to cast off his stony orange burden and laugh at Johnny. The Surfer has come on behalf of his boss, Galactus, who goes around devouring planets, and Earth is next on his menu. That's more or less the plot, though the nefarious Doom (Julian McMahon) enters the picture, offering Reed scientific assistance while cloaking his true agenda.

The filmmakers have more or less caught the bickering dynamic of the team, and the special effects are doled out sparingly but winningly, particularly when one of the Four gains the powers of all four members and puts them

to satisfying use. I was charmed by small details like Ben rubbing his fingers together to produce granite pebbles for young fans; some longtime followers of the comic book may feel that's what the movie is doing, too — distributing crumbs with minimal effort. The *Fantastic Four* films are essentially fantasies for kids, and those looking for gravitas in their funnybook flicks should probably hold out for *The Dark Knight*. I have read many of the legitimate criticisms of this sequel, and I agree with them, and I do not care. I do not bring much to the *Fantastic Four* franchise other than the expectation of light-hearted, light-headed fun. I am not among those who carp that Galactus is not shown in his full, purple-suited, tuning-fork-helmeted splendor, though that would have rendered the film, if anything, doubly silly and absurd.

The theme of the movie, in keeping with a great many other entertainments this summer, is that saving the world must take a back seat to relationships. The eternally libidinous Johnny is heard to regret not having anyone steady, unlike his teammates (even Ben has a sweetie, conveniently made blind in the comics and the movies, though some sighted women might find him cute). Not to be left out, the Silver Surfer has a loved one back home; he develops a bond with Sue, who reminds him of his sweetheart, and he shows her more ardent attention than does the perpetually gadget-distracted Reed. As for Doom, he has his mirror for companionship. To be honest, Pixar's 2004 *The Incredibles* probably did the *Fantastic Four* material better than the actual *Fantastic Four* movies ever will, but I'm glad to see Reed, Sue, Johnny and Ben every few summers anyway, as a corrective to tormented X-men, spider-men, bat-men, and even emo supermen (picture Kal-El sniffing into his Cheerios over Lois Lane's son last summer). This is about the only franchise left that still admits that being a superhero can be a blast.

### Marion Fireworks Drive

Marion has a long tradition of celebrating our nation's Independence Day with an evening of music and fireworks. This year, after polling the community, the Marion Fireworks Committee has scheduled the event

for the evening of Tuesday, July 3, 2007. As usual, the fireworks will be launched from a barge off of Silver Shell Beach, providing great viewing from land and sea.

However, the Fireworks Committee still needs to raise approximately \$25,000 to cover the cost of the fireworks display and supporting police, fire and safety details. Funding for the event is entirely through private donations ... no tax dollars are supplied by the Town of Marion. We have picked the date and selected the fireworks company, *but* we need sufficient funding before we can finalize the contract.

Please give generously and send in your contribution as early as possible. Make your checks payable to the "Town of Marion - Fireworks" and send them to Fire-

## SALOME'S STARS

**ARIES** (March 21 to April 19) Recently obtained information could open a new opportunity for a career change. But temper that Arian impatience and act on it only when all the facts are made available.

**TAURUS** (April 20 to May 20) You're moving into a more active cycle. So put your ideas back on the table, where they'll be given the attention they deserve. Expect a favorable change in your love life.

**GEMINI** (May 21 to June 20) A friend might ask for a favor that you feel would compromise your values. Best advice: Confront him or her and explain why you must say no. A true friend will understand.

**CANCER** (June 21 to July 22) A relationship continues to develop along positive lines. Meanwhile, a brewing job situation could create complications for one of your pet projects. Look into it right away.

**LEO** (July 23 to August 22) Your interest in a co-worker's project could lead to a profitable experience for you both. But before you agree to anything, be sure to get all your legal I's dotted and T's crossed.

**VIRGO** (August 23 to September 22) Be careful whose counsel you take about a possible long-distance move. Some advice might not necessarily be in your best interest. Stay focused on your goals.

**LIBRA** (September 23 to October 22) Someone might try to complicate efforts in an attempt to work out that confusing job situation. But don't let that keep you from sticking with your decision to push for a resolution.

**SCORPIO** (October 23 to November 21) A disagreement on how to handle a family problem could create more trouble for all concerned. Look for ways to cool things down before they boil over.

**SAGITTARIUS** (November 22 to December 21) An unexpected change in long-standing workplace procedure and policy could provide a new career target for the Archer to aim at. Start making inquiries.

**CAPRICORN** (December 22 to January 19) You're finally able to get back into the swing of things, as those temporary doldrums begin to lift. Expect some surprising disclosures from a new colleague.

**AQUARIUS** (January 20 to February 18) Rely on your innate sense of justice to see you through a dilemma involving a family member. Other relatives who've stood back will soon come forward as well.

**PISCES** (February 19 to March 20) A new friend seems to be pushing you into taking risks -- financial or otherwise. Best advice: Don't do it. She or he might have a hidden agenda that hasn't surfaced yet.

**BORN THIS WEEK:** You love to see new places and meet new people. Have you considered working for an airline or cruise-ship company?

In the spirit of the Marion Art Center's first art show 50 years ago, which was held outdoors in a vacant lot on a clothes line, the committee has worked for over a year preparing for this special event. Admission is free and everyone's invited to the Birthday Party! (In the unheard of case of rain, Arts in the Park will be held on July 15.)

### *The Bind*

The Marion Art Center is pleased to announce live from Boston — The Bind — playing jazz standards of the '50s and '60s and their own original music with a unique improvisational style on Saturday, June 23 at 7:30 pm. Featured musicians are David Mitton, alto sax; Bryan Mays, guitar; Alec Hendon, double bass; Devin Collins, drums. Tickets are \$7. A percentage of proceeds will benefit the Marion Art Center's Fiftieth Anniversary Celebration. Seating is limited. Tables are available for parties of four or more. Reservations are recommended: 508-748-1266.

### *Summer ARTCAMP*

Spaces are still available in the Marion Art Center's ARTCAMP, a summer program for children ages 4.5 to 9 years. Children are grouped by age and participate in Arts and Crafts, Stories and Music, and Theater games. Activity heads are certified elementary school teachers and are assisted by experienced counselors. Art-

### Rochester Council on Aging

- BBQs Are Back – Every Monday through October at 12:00 noon, you are invited to join the Rochester COA for the weekly barbeque at the Senior Center. Rain or shine, a delicious grilled meal will be available for your enjoyment! No specific cost for the program; donations are gratefully accepted. Hope to see you there!

- TOPS Program – The TOPS (Take Off Pounds Sensibly) Chapter has started and continues to meet every Monday afternoon, 1:30 – 2:30 pm. This is a national, non-profit weight loss support group, which is 59 years old. The weekly chapter group is basically peer support. Members are weighed in weekly, and information is shared weekly with attending members on experiences, healthy recipes choices, and other nutritional tidbits. Membership in the T.O.P.S. chapter is \$ 24.00 per year, and that is the entire cost of the program. Please join us anytime. All ages and genders are welcome!

- Wheelchairs Needed – The Rochester Council on Aging is in need of a few more wheelchairs in good, clean, working condition. Those with feet are especially appreciated. Loaning out medical equipment to residents
